RE: Gambell Barge Header Upgrade  
Project No. 20063  
Bid Opening Date: May 28, 2020

**Letter of Award**

Scott's Heating & Plumbing Services.  
1414 Mill Bay Road  
Kodiak, Alaska 99615

Gentlemen:

We acknowledge receipt of the Contract and other documents required by the Letter of Intent to Award. These documents are accepted and approved. You are hereby awarded the contract for construction of the above referenced project in the amount of \$1,340,093.00 Total Basic Bid.

The contract shall be substantially complete by **Substantial Completion, September 15, 2020,**  
**Final Completion October 15, 2020**

The Project Manager for this contract will be Bill Price, phone (907)771-3027.

A copy of the list of subcontractors you submitted for this project is included in the conformed copy. Please be advised 3 AAC 109.310 prohibits the use of additional subcontractors by the Prime Contractor unless approved by the Contracting Officer. Replacement of any of the listed subcontractors is also prohibited unless the specific contract criteria have been met.

The Department of Labor has specific notice requirements and fees for contractors working on public construction projects. Please be aware that you must comply with these requirements.

All contacts regarding operation of the project and technical matters should be with the Project Manager or her designee.

Sincerely,

Lois Lemus  
Contracting Officer
